

# CELEBRATE PEACE

## Community Submission Form

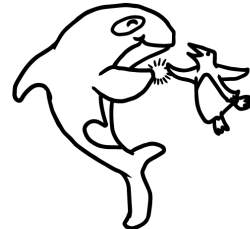

### WHAT IS THIS?

Celebrate Peace is a community art show open for public submissions and viewing. We're looking for art that answers the question, "How do you see peace and unity in the world?" The pieces can range from the silly to the sublime, the serious to the simple. We're passionate about connecting with the artistic community and connecting artists with each other. Whether you're an amateur, professional, or somewhere in-between, we'd love to see you at the show.

### WHEN AND WHERE IS IT?

Saturday, March 9, 2013, 4:30-7:30pm  
Ranch View Elementary Multi-purpose Room  
3300 Old Archibald Ranch Road, Ontario, CA

### WHAT CAN I SUBMIT?

You can submit Photography, Film, Drawing, Digital Art, Painting, Sculpture, and Hand Crafted Art (e.g. quilting, mosaic, scrapbooking, woodwork, etc.). See website for details. As this is a family friendly art show, we ask that there be no *nudity, profanity, or violence* in any of the artwork. Community participants may submit up to 3 pieces. The Community Section artwork must have a size limit of 28 inches on all sides or less, including frame, to be mounted in the gallery. Art larger than 28 inches will be placed on tables.

### HOW CAN I SUBMIT?

You can deliver your work to GracePoint Church, which meets at Ranch View Elementary on Sundays from 10AM-11:30AM. Artwork is due by Sunday, February 24. For other delivery options, please e-mail [info@connectartshow.org](mailto:info@connectartshow.org)

### ARE THERE YOUTH PRIZES?

Gift cards will be awarded to the best Middle School and the best High School artwork depicting this year's theme. These will be voted on by a panel of impartial judges.

Post High School artwork will be on exhibition in the art show gallery. You are welcome to provide business cards, but artwork will not be for sale at this art show. Our vision is for you to be able to connect with other artists in our community.
